It's time to get ready for the NJSBC State Race. This year's race will be held on Saturday, February 4th, 2012 at Pico, Vermont. The format is the same as last year with the standard GS run in the morning and a Slalom run in the afternoon; scoring will be the same as always.

This will be a fun-filled event for both racers and those simply coming for the day. The race is open to all club members and clubs may enter more than one team (see "Team Roster Information" for more information). Although we're all a com-

petitive bunch and love having bragging rights, the most important feature is the fun and camaraderie shared with fellow club members.

The race begins at 9:30 sharp. It is very important that your club racers are on time. As in the past there will be an awards ceremony after the races have completed. We will be serving pizza with beer, wine and soft drinks. Please be considerate and remember that this is intended to be a snack and not dinner. We don't want to run out for those arriving a bit late.

Don't miss out. This can be you or someone in your club!

The fee this year is \$65 per racer which is slightly more than last year. This increase was necessary to cover rising costs. As always the council subsidizes a significant amount of the total cost per racer. Please see the next few pages for more details.

Each race chairperson will be responsible to pick up their team packet and get the release form signed. Enclosed in the packet will be bibs for each

In the race packet will be a list with the bib numbers for that club. Any club not returning a bib will be charged **\$25/bib.**

Guests may sign up for the party the morning of the race but not later than 8:15 AM.

NJ Skiers and Boarders Care

The New Jersey Ski & Snowboarders Council will have a donation bucket at the event. As you may know we are attempting to reach a goal of \$10,000 to donate to the victims of Hurricane Irene. For so many it will take years to get back on their feet. At the time of writing this we have collected approximately \$4,000—a nice amount but we still have a way to go.

Please spend a few minutes at your next club meeting to encourage members to contribute. If we collected \$10 from every member it would exceed \$100,000!
