

**2004
MEMBERSHIP DIRECT
PROGRAM**

**GENERAL INFORMATION
(FOR SKI CLUB**

In general, the program provides on the spot discounts (with some exceptions) at participating businesses. This program applies to individual members of SKI CLUBS that are members of the New Jersey Ski Council. **Your valid SKI CLUB ID issued by your club must have a NJSC numbered sticker** affixed to the ID to validate your eligibility to participate in the program. The 2003 sticker is valid through December 31, 2003 and the 2004 sticker is valid through December 31, 2004. When both sticker and ski club ID are valid, this is considered a **VALIDATED NJSC SKI CLUB ID**. Offers subject to change without notice. Updated information will be in subsequent issues and on the NJSC WEB SITE www.NewJerseySkiCouncil.org.

SKI LIFT TICKET DISCOUNTS for 2003-2004 Ski Season

Please read each offer carefully. Some offers require you to go only to specific locations (i.e. group sales desk only because General ticket sales window personnel may not be aware of the program!). The MEMBERSHIP DIRECT program should not be confused with the Membership Privilege program, which uses vouchers that must be pre-purchased through your club.
